

2015 Mineral Lecture Series: Bob Jones

[Download this MP3](#) [Share this on Facebook or Twitter](#)

Released: December 17, 2015 By: BlueCap Productions

Bon Jones, Senior Editor of Rock and Gem Magazine and frequent Show Host for BlueCap's various What's Hot... DVD series, shares his stories about the origin and history of the Tucson Show. Perhaps one of the most qualified people to talk on the subject, Bob is also the author of the book, "The Tucson Show - A Fifty-Year History" published by the Mineralogical Record.

BlueCap Productions Podcast

This is the channel for all the audio podcasts from BlueCap Productions. We will be providing numerous series and one-offs of talks, presentations and interviews in the mineral-collecting world. Make sure to add us to your feeds and enjoy the shows!!
